

## **Health Record**

Louisiana law requires children age four or older have proof they have received the following vaccinations at the time of registration and prior to school entry:

- a booster dose of Poliovirus vaccine (IPV)
- two doses of Measles, Mumps, Rubella vaccine (MMR)
- three doses of Hepatitis vaccine (HBV)
- two doses of Varicella (chicken pox) vaccine (Var)
- a booster dose of Diphtheria Tetanus Acellular Pertussis vaccine (DtaP)

Children who are 11 or older and are entering the sixth grade this year must have proof they have received all of the age-appropriate immunizations listed above, and at this age, children also need proof of receiving:

- Meningococcal (meningitis) vaccine
- Tetanus Diphtheria Acellular Pertussis vaccine (Tdap)

The school nurse may be contacted for questions concerning required immunizations.
