

English Learners Support

You are encouraged to follow guidance from your child's teacher when planning the activities and lessons to be completed each day. Check the teacher's web page, Moodle course, and/or Google Classroom for supplemental weekly learning. Included below are other resources to support remote English Learners instruction, including lesson ideas and mobile apps for students and their parents. Feel free to use these resources to compliment or enrich, not to replace, what is being assigned by the teacher.

Please email your child's English as a Second Language teacher for additional support.
