Enduring Understandings

Understandings are a brief description of the overarching concepts to be learned by the student. Students should be able to use these concepts throughout their lives, even though they may have forgotten the

Essential Questions

This element contains a list of questions that teachers can use to determine if students understand the concepts being taught. The questions are intended to stimulate discussion and rethinking over time.

Students will know...

Students will be able to...

Grade-Level Expectations

(List Number, Text, and Benchmark Codes)

A grade-level expectation (GLE) is a statement that defines what all students should know and be able to do at the end of a given grade level. GLEs add further definition to the content standards and benchmarks. LEAP, iLEAP, and GEE assessments are aligned to the standards, benchmarks, and GLEs.
