Subject: State Placement Test for Grades 4 and 8

The Louisiana Department of Education and the BESE Board are requiring, per the new policy in Bulletin 1566, that students seeking to transfer to a public school in grades 5 or 9 from any nonpublic school, home study program, or Louisiana resident transferring from any out-of-state school, must take the State Placement Test to inform placement decisions. This test is given at no cost.

This test is computer-based and is designed to measure students' knowledge and skills in ELA and math pursuant to Louisiana Student Standards in grades 4 and 8. The test is consistent with the LEAP 2025 test.

The testing dates are May 30th and May 31st. It is a two day assessment.

Please inform your fourth and/or eighth grade students and their parents of this testing opportunity.

Attached is a copy of the test application. This application must be completed and returned to the testing office by **May 1, 2019**.
