## POINTS OF PRIDE

Every Monday before Thanksgiving, we conduct our Feast For Friends event. Community organizations and volunteer faculty and students cook and serve dinner for our community.

Our school won first place in the state during the 2017 National School Lunch Week.

We encourage community service through canned food drives and painting benches around town.

Our robotics team has won four awards in the past two years, including the Robot Performance Award, Project Award, and Gracious Professionalism Award.
