BUTTERFLY GARDEN, ART NIGHT,  
COOKING NIGHT, AND THE GOLD  
FISH CLUB.

## POINTS OF PRIDE

Our STEM Lab provides hands-on learning opportunities for students, helping to prepare them for success in college and careers.

We have a strong coordinated group of volunteer reading tutors and community partnerships that help inspire students to read and improve their reading and writing skills.

Our school has a family feel with a loving faculty who makes decisions that are always in the best interest of the students.

Students experience learning outside the classroom walls in our outdoor classroom and butterfly garden.
