AND ACADEMIC AFTERCARE.

POINTS OF PRIDE

Parents, students, and staff participate in multiple performances and events that spotlight students' talents, as well as provide academic enriched activities such as Family Learning Night and Evening with the Stars.

There is a high participation rate in the academic-based aftercare program with teachers assisting students with homework and tutorial needs.

Every classroom teacher maintains a minimum of five computers as well as having the availability to utilize any of the five computer labs to support curriculum in all areas.
