## POINTS OF PRIDE

We offer a variety of rigorous academic courses, including 11 high school Carnegie Credit courses.

More than 40% of our teachers hold a Master's Degree or higher and three teachers are Nationally Board Certified.

We provide extensive STEM opportunities – including Project Lead the Way, FIRST Robotics, and Gateway to Technology – to help prepare students for future success.

Our award-winning robotics team competes at the regional, state, and national level and has qualified for the World Competition.
